Making New Music in
SPRING 2025

LET'S MAKE MUSIC

Music Makers invites young children and their parents or caregivers to explore the joy of music jointly through singing, dancing, and playing instruments. Our classes incorporate songs from various genres and cultures, offering a rich and diverse musical experience. This unique and enriching program enhances rhythm skills, musical appreciation, language development, motor skills, and emotional well-being. We will foster lasting memories and a strong foundation for lifelong learning and growth in a playful and supportive setting.
